

10 things you may not know about Griffiths & Armour's unique Professional Indemnity insurance proposition

Our clients tell us that we:

✓ 1. Provide...

genuinely informed advice, from the understanding gained from looking after the insurance requirements of over 3,000 construction professionals in UK and Ireland.

✓ 2. Afford...

real comfort and assistance on each of the 1,000 new construction Professional Indemnity claims that we manage each year.

✓ 3. Share...

practical industry knowledge gained as appointed advisers to the Construction Industry Council and 14 other professional bodies associated with the construction professions.

✓ 4. Assist...

contractual risk management efforts by reviewing and commenting upon over 500 bespoke agreements each month.

✓ 5. Support...

their business needs by providing access to our free legal helpline, operated by a panel of specialist solicitors.

✓ 6. Promote...

the successes of the construction professions by sponsoring major awards in conjunction with ACE, IStructE, the AJ100 and Engineers Ireland's 'Chartered Engineer of the Year'.

✓ 7. Inform...

them on issues of interest, by regularly producing guidance notes and other risk management publications.

✓ 8. Add value...

by ensuring that they have direct and instant access to the depth of specialist knowledge and broking talent that exists in our network of strategically located offices across the UK and Ireland.

✓ 9. Continually innovate...

and secure competitively priced long-term sustainable solutions through a combination of understanding our clients' work and market leverage.

✓ 10. Offer peace of mind...

by providing certainty of protection: in the 60 years that our exclusive PI facilities have been in place, no claim reported during any policy period has been turned down.

We would be happy to provide further details on our **Unique Profile & Philosophy**. Please contact our Professional Indemnity insurance team for further information.
